Locating Journal Articles @ SHSU

Do you have a citation (author, title, journal, date, etc.)?

NO  Use one of the online databases to search for your subject and locate articles. If the article is not readily available full-text, then Check for Online Access.

YES

Check for Online Access

1. Go to the library homepage
2. Click on “Journal Titles”
3. Enter the title of the journal (not the article) in the search box
4. Click “Search”
5. If we do have the title, a list of databases will appear
6. Click on the appropriate database

Did you find your article?

NO

Check for Print Access

1. Go to the library homepage
2. Click on “Books & More”
3. Enter the title of the journal and change “Keyword” to “Periodical Title”
4. Click “Search”
5. If we have the title, it will appear in the list.
6. Click on the title to see what date ranges we have and were the journal is located

Did you find your article?

YES

Congratulations

NO

Request the article from InterLibrary Services

1. Go to the library homepage
2. Click on “InterLibrary Loan”
3. Click on “ILLiad”
4. Create an account if you are a first time user
5. Login-on
6. Click on “Request an Article”
7. Enter the required information
8. Submit request
